

**St. Clair Shores
Ski & Snowboard Club
Ski Week at:**

February 17th – 21st, 2012

The St. Clair Shores Ski & Snowboard Club will venture to Shanty Creek Resorts in Bellaire, MI. Join us for **four days of awesome skiing and four nights at Shanty Creek Resorts.**

Schuss Mountain has long defined skiing in Michigan. So it's no surprise Shanty Creek was rated "Best Downhill Terrain in the Midwest" by OnTheSnow.com's visitors.

Now with 52 runs on its two mountains and featuring 4 terrain parks, a 700ft half pipe, more than 175" of snow, and a 450' vertical drop, Shanty Creek is where terrain meets tradition. Shanty Creek also has night skiing and a special tubing park.

Your trip will include all-area lift passes, first class rooms on site at Cedar River, transportation, supervision and lunches and dinners each day. Check out Shanty Creek at www.shantycreek.com.

All for only \$425.00 U.S.
